Worship Leader address: _____

Worship Leader phone: _____

Worship Leader email: _____

There are leadership roles that require being a member of the Florence Vineyard due to the nature of the role. Community Group Leadership is one of those areas; you are helping the Executive Pastoral Staff disciple our congregation in ways that are deep and wide.

Have you completed Vineyard 101 and signed a discipleship form? Yes or No (circle one). If you have not yet completed this crucial next step call the office to make arrangements to do so. Thank you, Kate
